Call for Papers

The National Radio Science Committee of the Academy of Scientific Research and Technology (ASRT) along with AASTMT are holding the 33rd National Radio Science Conference at the AASTMT South valley campus in Aswan during the period 22 – 25 February 2016. The conference program will consist of invited sessions on selected topics and contributed sessions. The submitted papers must describe original work and cover the activities of the URSI commissions A-K, namely:
- Electromagnetic metrology
- Fields and waves
- Wireless communications and signal processing
- Electronics and photonics
- Electromagnetic noise and interference
- Wave propagation and remote sensing
- Ionospheric radio and propagation
- Waves in plasma
- Radio astronomy
- Electromagnetics in biology and medicine

Review papers describing new trends and state of the art of some of the URSI activities are welcome. Accepted papers will be published in the conference proceedings conditional upon presentation of the paper and in advance registration by at least one of the authors. Presented papers will be included in IEEE Xplore. A special student session will host a limited number of posters presenting B.Sc. graduation projects or Masters’ work, with free registration. Best papers and best student papers will be selected by the organizing committee for awards.

Submission Instructions
Prospective authors of papers describing original work are invited to get the standard format and to submit papers electronically through the conference website. The maximum number of pages is 8 per paper.

Registration Fees (per paper)
Egyptian: 500 EGP, Non-Egyptian: US$500
Fees cover attending sessions, proceedings CD, lunches, and coffee breaks for the period of the conference for one of the authors. Nonrefundable fees, 200 EGP (US$200 for non-Egyptians), are paid in advance upon paper submission. The remaining registration fees are paid with the camera ready submission. Extra 50 EGP (US$50 for non-Egyptians) is added (not more than two extra pages).
